Dear colleague,

Please have a look at the updates on our website and the preliminary outcomes about the IDRC Conference in Chengdu in July and tell us what topics you would like to have covered at the IDRC 2010.

IDRC Davos 2010 - what topics would you like to have covered?

The International Disaster and Risk Conference will be back again in Davos, Switzerland from May 30 - June 03, 2010.

To make this conference a success, we would like to ask your opinion on what topics should be covered.

Please give us your input by filling out the short questionnaire (takes about 3-5 min)

[>>> Go to the questionnaire](#)

The topics will be announced in the next newsletter and on our website www.grforum.org. More information on the conference (deadlines etc.) can also be found at www.idrc.info.

IDRC Chengdu 2009

The IDRC Chengdu 2009 took place from Monday 13 to Wednesday 15 July 2009, in Chengdu, China.

The conference revealed the importance of an international experience sharing. The valuable experiences of the Chinese experts and people will help the international risk and disaster community to contribute to a sustainable, harmonious world and to be better prepared for future catastrophes.
